# **TOWN OF SANDOWN, NEW HAMPSHIRE**

**ANNUAL REPORT  
FISCAL YEAR ENDING DECEMBER 31, 2004**

During the past several years, Sandown Boy Scouts have completed community projects enabling them to earn Eagle Scout status. Three of the Scouts are pictured on the front of this year's town report. They are Jeremy Nicolaisen, Eric Klaxton and Patrick Robinson. Throughout the pages of the report, you will see pictures of a project completed by Eagle Scout Stephen Wright. Stephen removed the old stairs leading to Seeley Beach and replaced them with new, safer stairs. There are also pictures of Eric Klaxton's project which was to remove the old stairs and retaining wall at the Town Hall and replace them with a new, updated look. Jeremy Nicolaisen's project is also shown and is nearing completion. He constructed a new Food Pantry on town land located across Hampstead Road from the Town Hall. Patrick Robinson's proposed project is to refurbish a flagpole which will be erected on the grounds at the Town Hall.

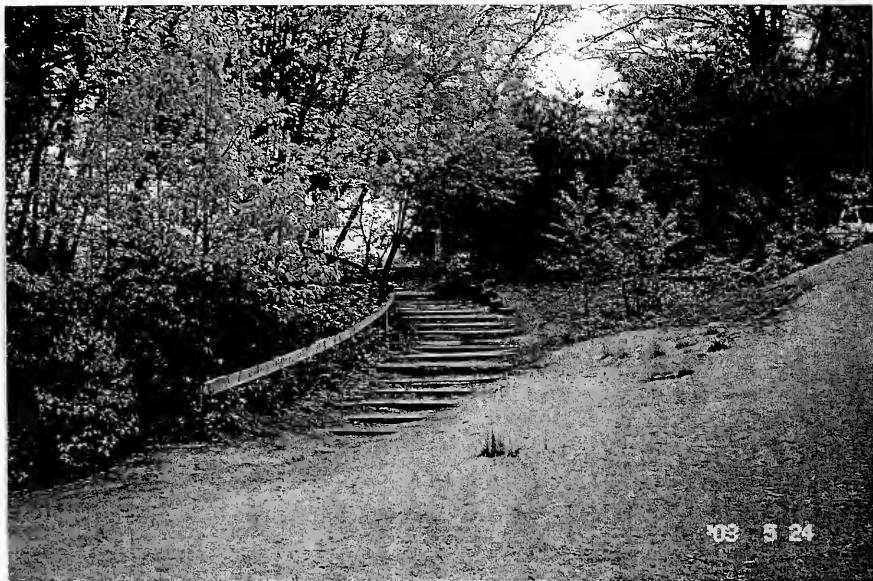

Congratulations to Sandown's Eagle Scouts and to those who are working on their projects currently. The town appreciates your time, efforts and community spirit.

## INDEX

Board of Selectmen.....	67	Planning Board.....	68
2005 Budget (MS-7).....	37-44	Police Department.....	74&75
Budget Proposal.....	45-65	Recreation Commission.....	70&71
Budget vs. Actual.....	16-23	Sanitation Department.....	73
Building Inspector.....	69	Tax Collector.....	10-12
Cable TV Committee.....	72	Tax Rate History.....	89
Cemetery Report.....	84	Town Clerk.....	7
Conservation Commission.....	82&83	Town Officers.....	1-5
Fire Department Reports.....	76&77	Treasurer.....	13-15
Health Department.....	69	Town Warrant.....	27-35
Highway Department.....	78	Trial Balance Report.....	8&9
Income Report.....	24-26	Trust Funds Report.....	85
Library Reports.....	79-81	Vital Statistics.....	86-88

These pictures show the stairway that leads to Seeley Beach. As you can see, the old stairs were not safe or pleasing to the eye. Eagle Scout Stephen Wright took care of both of those issues as shown in the bottom photo.

**TOWN OF SANDOWN  
STATE OF NEW HAMPSHIRE**

To the inhabitants of the town of Sandown qualified to vote in Town affairs you are, hereby, notified of the following Town meeting schedule.

*First Session of Annual Meeting (Deliberative)*

You are hereby notified to meet at Sandown Town Hall, 320 Main Street, Sandown, New Hampshire, on Saturday, February 5, 2005 at 10:00 am. This session shall consist of explanation, discussion and debate of warrant articles number 2 through 29. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

*Second Session of Annual Meeting (Voting)*

Voting on warrant articles number 1 through 29 will be conducted by official ballot to be held on Tuesday, March 8, 2005 at Sandown Town Hall, 320 Main Street, Sandown, New Hampshire. Polls will be open from 8:00 am to 8:00 pm.

**Article 1.** To choose all necessary town officers for the ensuing year (to be voted by ballot March 8, 2005).

**Article 2.** Shall the town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,602,956.11. Should this article be defeated, the default budget shall be \$2,323,738.92 which is the same as last year with certain adjustments required by previous action of the town or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

**Article 3.** Shall the town vote to authorize the Board of Selectmen to accept until rescinded, on behalf of the town, gifts, legacies and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

**4. Warrant Article.** Shall the town vote to investigate authorizing the Selectmen to dispose of tax-deeded property under RSA 80:8o, to remain in effect until rescinded by a vote of the town meeting.

- 5. Special Warrant Article.** Shall the town vote to raise and appropriate the sum of \$9,394.00 to be added to the operating budget for the purpose of increasing the position of Library Director to full-time status. This is an increase from 32 hours per week to 35 hours per week. (Recommended by the Budget Committee) (Recommended by Board of Selectmen)
- 6. Special Warrant Article.** Shall the town vote to raise and appropriate the sum of \$49,000 to refurbish the Sandown Fire and Rescue Department's 1987 main pumper and to add a Class A Foam System to same.  
(Recommended by the Budget Committee) (Recommended by Board of Selectmen)
- 7. Special Warrant Article.** Shall the town raise and appropriate the sum of \$40,611.14 to be added to the operating budget for the purpose of changing a part-time position to a third full-time position to the Highway Department. The cost will be generated from wages consisting of \$15.00 per hour for a 40 hour week for 52 weeks, annual family medical insurance, Medicare/Social Security withholdings and NH retirement. If this warrant article passes, the \$40,611.14 shall be added to the amount in the operating budget of \$8,494.18 for the part-time position. (Recommended by the Budget Committee) (Recommended by Board of Selectmen)
- 8. Special Warrant Article.** Shall the town raise and appropriate and authorize the Selectmen to accept Block Grant revenues in the sum of \$111,587.74 supplied by the State of New Hampshire for road improvement programs to be recommended by the Sandown Highway Department and approved by the Sandown Board of Selectmen. (Tax impact \$0)  
(Recommended by the Budget Committee) (Recommended by Board of Selectmen)
- 9. Special Warrant Article.** Shall the town vote to raise and appropriate the sum of \$7,000.00 for the annual Old Home Day celebration. The warrant article is sponsored by the Old Home Days Committee. (Recommended by the Budget Committee) (Recommended by Board of Selectmen)
- 10. Special Warrant Article.** Shall the town vote to raise and appropriate the sum of \$55,000.00 for architect cost to develop designed plans, site plans and project cost for a new police station to be located on town-owned land identified as Map 22 Lot 002 (551 Main Street). (Recommended by the Budget Committee) (Recommended by Board of Selectmen)
- 11. Special Warrant Article.** Shall the town raise and appropriate the sum of \$274,000.00 to reconstruct the road base, shoulder and apply the binder coat for the entire length of North Road. (Not recommended by the Budget Committee) (Recommended by Board of Selectmen)

**12. Petitioned Warrant Article.** On petition of Steppingstone Music Opportunities, Inc., d.b.a. The Sad Café, and 52 registered voters of the Town of Sandown to see if the town will vote to raise and appropriate the sum of \$5,000 to help sustain current and future researched based prevention programs serving the needs of local children, youth and families in the Sanborn and Timberlane Regional School Districts. In addition to Sandown, the towns of Plaistow, Newton, Kingston, Hampstead, Atkinson and Danville are requested to raise and appropriate equal amounts. Additionally, requested funds will assist in funding the position of Community Programs Director. The current Director has a masters degree in social work and will continue to provide professional services and effective grant writing skills in seeking state, federal and foundation funds in support of expanding community based programs. Town support of this position last year directly resulted in grant awards for programs benefiting the two school district communities in the amount of \$169,501 from county, state and federal sources. (Intent: Multiple community collaborative support for social service programs addressing regional concerns is a key component in receiving community program funding). (Not recommended by the Budget Committee) (Not recommended by Board of Selectmen)

**13. Petitioned Warrant Article.** Shall we rescind the provisions of RSA 40:13 (known as SB2), as adopted by the Town of Sandown on March 16, 1996, so that the official ballot will no longer be used for voting on all questions, but only for the election of officers and certain other questions for which the official ballot is required by State law?

**14. Special Warrant Article.** Shall the town adopt the provisions of RSA 31:95-c to restrict all of the revenues from Police Department OHRV and District Court fines and forfeitures, to expenditures, for the purpose of purchasing OHRV safety gear and Enforcement equipment? Such revenues and expenditures shall be accounted for in a special revenue account to be known as the Police Department Safety and Enforcement Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund and shall be rolled over from year to year. Funds expended from said fund will be subject to approval by town vote.

**15. Warrant Article.** Shall the Town vote, under the provisions of RSA 674:40-a, to authorize the Board of Selectmen to accept, on behalf of the town, any new highway or street that has been approved by the Planning Board.

**16. Warrant Article.** Shall the Town vote to accept Royal Range Road (the portion which lies between Main Street and Hunt Pond Road) as a town road subject to the approval of the Planning Board and the Board of Selectmen.

**17. Warrant Article.** Shall the Town vote to accept Beechwood Road as a town road subject to the approval of the Planning Board and the Board of Selectmen.

- 18. Warrant Article.** Shall the Town vote to accept Dillon Avenue as a town road subject to the approval of the Planning Board and the Board of Selectmen.
- 19. Warrant Article.** Shall the Town vote to accept Ammy Lane as a town road subject to the approval of the Planning Board and the Board of Selectmen.
- 20. Warrant Article.** Shall the Town vote to accept Lexington Drive as a town road subject to the approval of the Planning Board and the Board of Selectmen.
- 21. Warrant Article.** Shall the Town vote to accept Celeste Terrace Extension as a town road subject to the approval of the Planning Board and the Board of Selectmen.
- 22. Warrant Article.** Shall the Town vote to accept Candlestick Lane as a town road subject to the approval of the Planning Board and Board of Selectmen.
- 23. Warrant Article.** Shall the Town vote to accept Lantern Drive as a town road subject to the approval of the Planning Board and the Board of Selectmen.
- 24. Warrant Article.** Shall the Town vote to establish a Town Forest pursuant to RSA 31:110 on a certain town-owned parcel of land identified as Tax Map 13, Lot 16 also known as the “Greenwood-Hooke” parcel totaling plus or minus eighty-two acres (+/- 82 acres). A yes vote would have zero (0) impact on taxes.
- 25. Warrant Article.** Shall the town authorize the Board of Selectmen to convey a conservation easement to the Rockingham Land Trust or other appropriate conservation organization on the following town-owned parcel of land identified as Tax Map 13, Lot 16 also known as the “Greenwood-Hooke” parcel in order to permanently protect said parcel from development while retaining said parcel for Town Forestry Management, passive recreation, enhancement and maintenance of scenic value, wildlife and open space which are an essential part of Sandown’s rural character for the benefit of the town of Sandown and its residents. A yes vote will have zero (0) impact on taxes.

**26. Warrant Article.** Shall the town authorize the Board of Selectmen to convey a conservation easement to the Rockingham Land Trust or other appropriate conservation organization on the following town-owned parcel of land which is a Town Forest (in accordance with RSA 31:110) identified as Tax Map 11, Lot 6 also known as the “Seeley” parcel in order to permanently protect said parcel from development while retaining said parcel for Town Forestry Management, passive recreation, enhancement and maintenance of scenic value, wildlife and open space which are an essential part of Sandown’s rural character for the benefit of the Town of Sandown and its residents. A yes vote will have zero (0) impact on taxes.

**27. Warrant Article.** Shall the town authorize the Board of Selectmen to convey a conservation easement to the Rockingham Land Trust or other appropriate conservation organization on the following town-owned parcel of land which is a Town Forest (in accordance with RSA 31:110) identified as Tax Map 15, Lot 9 also known as the “Fremont Road Town Forest” in order to permanently protect said parcel from development while retaining said parcel for Town Forestry Management, passive recreation, enhancement and maintenance of scenic value, wildlife and open space which are an essential part of Sandown’s rural character for the benefit of the Town of Sandown and its residents. A yes vote will have zero (0) impact on taxes.

**28. Warrant Article.** Shall the town vote as authorized by RSA 79-A:25 II, to deposit an additional 50 percent of the revenues from land use change tax collected pursuant to RSA 79-A so that a total of 100 percent of the revenue from land use change tax will be deposited into the Town of Sandown Conservation Fund for conservation purposes in accordance with RSA 36-a:2.

**29. Warrant Article.** Shall the town vote to authorize the Planning Board to require preliminary subdivision review. The subdivision regulations regarding such review are to be prepared and adopted by the Planning Board.

We, hereby certify that we gave notice to the inhabitants within named to meet at the time and place and for the purpose within mentioned by posting an attested copy of the written warrant at the place of meeting within named and a like attested copy at Sandown Town Hall and Post Office being a public place in said town on January 31, 2004.

Z-1. Are you in favor of the adoption of Amendment # Z-1 as proposed by the Planning Board of the Town Zoning Ordinance?

To amend Article I, Part A-Establishment of Zones by repealing the word "zonal" and adopt the words "zoning district" in the first sentence of the Sub-Section entitled Boundaries.

Z-2. Are you in favor of the adoption of Amendment # Z-2 as proposed by the Planning Board of the Town Zoning Ordinance?

To repeal the second paragraph of Article I, Part C-Floodplain Development Ordinance and adopt the following:

"The following regulations in this Ordinance shall apply to all lands designated as special flood hazard areas by the Federal Emergency Management Agency (FEMA) in its "Flood Insurance Study for the County of Rockingham, NH", dated May 17, 2005 or as amended, which are declared to be a part of this Ordinance and are hereby incorporated by reference."

Z-3. Are you in favor of the adoption of Amendment # Z-3 as proposed by the Planning Board of the Town Zoning Ordinance?

To repeal Section 7 of Article II, Part A, General Regulations-All Zones and adopt the following:

"There shall be a fee for the issuance of any building permit required pursuant to Article II, Part A, Section 2 of this Ordinance. The Board of Selectmen shall adopt and maintain a schedule of such fees, which shall be available to the public at the Sandown Town Offices."

Z-4. Are you in favor of the adoption of Amendment # Z-4 as proposed by the Planning Board of the Town Zoning Ordinance?

To repeal Section 2 of Article II, Part B, Section 2 and adopt the following:

"The following uses shall be permitted in Zone A (Zone A is everything not located in Zone Be):

1. Single family residential dwellings;
2. Cluster residential dwellings, subject to the requirements of Article II-Part D of this Ordinance;
3. Agriculture and forestry uses, including agricultural sales;
4. Elderly housing developments, subject to the requirements of Article II- Part F. of this Ordinance;
5. Places of worship and accessory uses, subject to non-residential site plan approval by the Planning Board;
6. Telecommunications facilities, subject to the requirements of Article IX of this Ordinance;
7. Commercial and non-commercial recreational facilities or community facilities subject to non-residential site plan approval by the Planning Board.

8. Local, State and Federal Governmental offices and facilities;
9. All uses permitted by Special Exception or Conditional Use Permit under the provisions of Article V of this Ordinance;
10. Educational facilities, including day care facilities, subject to non-residential site plan approval by the Planning Board.

Z-5. Are you in favor of the adoption of Amendment # Z-5 as proposed by the Planning Board of the Town Zoning Ordinance?

To repeal the second sentence of Section 3-Paragraph A of Article II, Part B, Section 3 as follows:

"All land subdivisions of 20 acres or more, must conform to the Cluster Residential Development requirements of Article II-Part D, unless waived by the Planning Board."

Z-6. Are you in favor of the adoption of Amendment # Z-6 as proposed by the Planning Board of the Town Zoning Ordinance?

To amend Section 2 of Article II, Part C, Driveway Regulations-All Zones by adding the following:

"It shall be unlawful to construct or by any other means establish a new driveway, or to cause modification to an existing driveway connecting to any town highway without first obtaining a written permit for such work."

Z-7. Are you in favor of the adoption of Amendment # Z-7 as proposed by the Planning Board of the Town Zoning Ordinance?

To repeal Section 1 of Article II, Part E-Business District Land Regulations and adopt the following:

"The requirements of this Article shall apply to all lots situated in the Business District."

Z-8. Are you in favor of the adoption of Amendment # Z-8 as proposed by the Planning Board of the Town Zoning Ordinance?

"To re-codify this Article as well as other text within the Ordinance, if any, as "Article II, Part F, Elderly Housing Development" since there are presently two Articles, each codified as "Article II, Part E" in the Zoning Ordinance."

Z-9. Are you in favor of the adoption of Amendment # Z-9 as proposed by the Planning Board of the Town Zoning Ordinance?

"To repeal the last paragraph of Section 2 of Article II, Part E(F)-Elderly Housing Development."

Z-10. Are you in favor of the adoption of Amendment # Z-10 as proposed by the Planning Board of the Town Zoning Ordinance?

"To repeal the last paragraph of Section 4.N of Article II, Part E(F)-Elderly Housing Development and adopt the following:

"The maximum number of dwelling units permitted shall be limited to two units per acre of next tract area as defined above."

Z-11. Are you in favor of the adoption of Amendment # Z-11 as proposed by the Planning Board of the Town Zoning Ordinance?

To repeal Section 2 of Article V-Special Exceptions and adopt the following:

"Commercial uses, limited to home occupations, may be permitted in Zone A upon issuance of a Conditional Use Permit by the Planning Board provided the applicant demonstrates to the satisfaction of the Planning board that each of the following conditions have been fulfilled."

We, hereby certify that we gave notice to the inhabitants within named to meet at the time and place and for the purpose within mentioned by posting an attested copy of the written warrant at the place of meeting within named and a like attested copy at Sandown Town Hall and Post Office being a public place in said town on January 31, 2004.

If you have a line item of appropriations from more than one warrant article, please use the space below to identify the make-up of the line total for the ensuing year.

\*\*SPECIAL WARRANT ARTICLES\*\*

**\*\*SPECIAL WARRANT ARTICLES\*\***

Special warrant articles are defined in RSA 323:VI, as appropriations: 1) in partitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriations to a separate fund created pursuant to law, such as capital reserve funds or trust funds; or 4) an appropriation designated on the warrants as a special article or as a nonlapsing or nontransferring article.

Eagle Scout Jeremy Nicolaisen worked hard to give the town a new Food Pantry. It is located on Hampstead Road facing the Sandown Town Hall. Pictured in front of the new building are, from left to right, Mrs. Danita Brayall, Eagle Scout Advisor, Jeremy and Ms. Eleanor Bassett, Food Pantry Director. We are very proud of our new facility.

## SELECTMEN'S ANNUAL REPORT 2004

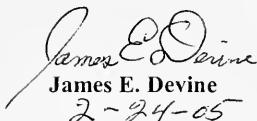

The past year, 2004, was very busy for the Selectmen and their office staff. Two special meetings were held and, as a result, the Police Union contract was accepted by town voters and a land purchase proposal was voted down. The union, already approved by the town's Police officers in 2003, seems to be operating well. Negotiations took quite some time and this led up to the special meeting which gave voters an opportunity to review the terms of the contract during deliberative session and to vote on them later.

The second special meeting was held to see if voters would approve the purchase of a 45 acre lot across from the Post Office. If approved, the land would have been used for municipal buildings and town open space. However, even though a majority of voters approved the purchase, a 3/5 vote was needed for the article to pass.

Sandown is growing in leaps and bounds and, as a result, municipal space is at a premium. The Planning Board has either approved or is in the process of reviewing subdivision plans that will mean approximately 400 new homes. As a result, there may be a need to increase the number of employees in several town departments as well as to update the computer systems sometime in the near future. These things must be taken into consideration by voters within the next few years in order for us to be able to provide the quality of municipal services that Sandown residents deserve.

New residents are encouraged to attend meetings of all boards and committees and to join those that may have vacancies. The only requirements that Sandown has is that members consider what is best for the town before making a decision on its future. The rules and regulations can be learned along the way.

Sandown has a lot to offer the many new residents who have come here to live. If you have children, our Recreation Commission has a very active summer program and provides swimming lessons at Seeley Beach. For the young-at-heart, there is the 60+ club and the Fall foliage trip for seniors. For those in between, there are also trips through the Recreation Commission and weekly and monthly committee meetings. Make sure that you attend the Old Home Days celebration in August and take time to visit our historic Meeting House - you'll be glad that you did.

  
James E. Devine

Leslie D. Britton

**SANDOWN PLANNING BOARD**  
**2004 ANNUAL REPORT**

\*\*\*\*\*

The year 2004, like 2003, was an extremely busy year. Last year's elections added new member, Darryl Britton, and two new appointees for alternates, Ed. St. Pierre and Don Spinelli. We accepted the resignations of a very long-serving member, Vicki Wilson, and one from alternate member Rick Fermoyle. Both members are missed. We want to take this opportunity to extend our sincere appreciation to Vicki for her years of service to Sandown. Thank You!

The Board was active in it's role as Planners, meeting 30+ times during the past year. We reviewed a number of subdivision applications. Plan designs were as small as splitting one lot to create two lots and as substantial as the continued review of a large elderly housing project. The Board approved it's first cluster subdivision in quite some time - Waterford Village. It appears that there was no slow down in development and we anticipate that this trend will continue through 2005.

The Planning Board initiated discussions with a developer in town for the purchase of 47 acres off Main Street. Through joint meetings, the town moved this conceptual plan to reality with a special town meeting to vote on the appropriation of monies for the future land purchase. The vote passed the town majority, however, due to State regulations requiring a 60/40 majority, the motion did not pass. This effort was a result of the 2003 Community Profile Project.

The Planning Board was successful in working with all Town department heads and will be submitting, to the town, a new Capital Improvement Plan at Town Meeting. I want to thank everyone for their spirit of cooperation.

This year, we have worked hard with our consultants to complete the Town Master Plan. We hope to have the final version ready for adoption soon. This project has taken two years to come to fulfillment and we look forward to it's completion.

Additional future planning has begun for 2005. In the late fall of 2004, a public hearing on high density housing produced lots of discussion. It was apparent that our cluster ordinance was cost prohibitive and that developers rarely consider the option as such. Cluster subdivisions allow for higher open space formulas and provide a mix in our housing stock. This will continue as a topic of discussion in 2005.

We look forward to 2005 and welcome the public to our regularly scheduled monthly meetings. In addition, you can review the minutes of our meetings at the Sandown town website. Thank you for the opportunity to serve.

Ted Winglass, Chairman  
Sandown Planning Board

## **BUILDING / ELECTRICAL / HEALTH DEPARTMENT REPORT FOR 2004**

2004 has seen the total number of building permits issued increase slightly. Of the 69 new Single Family Dwellings that were permitted this year about half; 48% were for elderly housing; which is currently restricted to 55 or older. Consequently they do not have an impact on the schools.

Discounting the elderly housing in town the number of new SFDs is 36.

The Mill Pine Elderly project is just about built out and 35 additional elderly units bordering the Hampstead Industrial Park off Little Mill Rd. are just being framed

The total number of units constructed was up by 68% while the number of stand alone, non-elderly is down slightly (13%).

The average price of new homes in Sandown has continued to increase dramatically.

Historically the size and selling price of a home in Sandown was drastically less than that for a home in other area Towns. Anecdotally these more expensive new homes appear to have fewer children than we were used to seeing and therefore are a more positive impact on the tax base.

Most area contractors and sub-contractors are still very busy and sometimes it can be difficult to get jobs scheduled as quickly as desired.

The number of electrical permits has kept pace with the building permits.

The Sandown Board of Health consists of the Board of Selectmen and the Health Officer.

Last year our attention was less on the West Nile virus than in the past, but we had a very unsettling “green algae” bloom at Showell pond. This resulted in the closing of that pond for the bulk of the swimming season.

Respectfully,

*Kenneth W Sherwood*

**Kenneth W Sherwood**

Building/Electrical Inspector

Health Officer

## RECREATION COMMISSION ANNUAL REPORT

The Recreation Commission has been enthusiastically at work providing activities and events for the residents of our community.

The Summer Recreation Program continues to provide a fun, safe and happy environment for children entering first grade through grade seven. The Commission has a dedicated staff of experienced counselors, many of whom return to us each year. Many of our counselors have remained with us through high school and into college. Several members of the summer staff are majoring in or have majored in fields such as education, recreation, nursing and other health related fields. They bring with them a sense of maturity, humor and caring for the children they are responsible for. New this past summer, at the request of parents, was the addition of a seventh week for the program. Plans are already underway for the Summer Program of 2005 with some new and exciting additions. Watch for upcoming flyers and announcements. Don't forget to register your children early to take advantage of discounts and to secure your spot.

Several new trips, projects and transitions took place over the past year. Many enjoyed new activities, such as a dinner dance cruise around Lake Winnipesaukee and a trip to Boston to take in a performance of the Radio City Music Hall Rockettes. Old favorites like Fenway Park outings to see Red Sox games; trips to Foxwoods Resort Casino and Mohegan Sun; Yankee Candle and Bright Lights Tour and the Fall Foliage Trip are always enthusiastically attended.

Due to a scheduling conflict at the Vic Geary Center, the annual Senior Luncheon was held at the Sandown Central School. Commission members quickly realized that more seniors attended even though we experienced an early November snow the morning of the luncheon. The current plan is to continue hosting this event at the school in the future. Many volunteers, from the children of the 4-H group to several Supervisors of the Voter Checklist, to high school students and adult volunteers, helped make a fun event even more so. As always this event would not be successful without the support of our local businesses, groups and organizations that help support this event with donations of money, goods and services.

The Recreation Commission was once again fortunate to work with an Eagle Scout candidate. As his project, Main Street resident Steven Wright replaced the stairs at Seely Beach and Park that lead down to the water. Residents are fortunate to have so many enthusiastic young people in Sandown willing to take on projects that are of such benefit to the community. You only need to look around at various sheds, concession stand, food pantry, retaining walls, stairs and more to realize the effort these dedicated Boy Scouts put in on behalf of us all.

Through the generosity of private donations totaling in excess of \$11,000.00 the Commission was able to replace the wooden playground structure at Roy L. Miller Field that was becoming costly to repair and maintain. Volunteers worked to spread sand under the structure and to place concrete barriers to help divert water run-off, which continues to plague the lower field. An electronic scoreboard was generously donated by Pepsi-Cola and installed on Field "A". Volunteers placed special material on the ramps at the skate park to keep them from deteriorating. These are just a few projects that took place at little or no cost to taxpayers. If your local business would like to advertise and support our recreational activities, you can purchase a 3 x 4 foot sign that will be placed at Roy L. Miller Field.

A few problems continue to plague our town-owned facilities. Vandalism is the biggest issue with repeated damage to water bubblers, outside spigots and outbuildings at Miller Field. Vandals have also tried to destroy signs at the field. Trash left around the skate park is also an issue and may lead to discontinuation of this area if it cannot be controlled. These issues are costly and the Commission asks for your input on ideas to prevent this from continuing. Please contact the police if you are aware of vandalism taking place.

In cooperation with the Board of Selectmen and office staff, space was made to squeeze one more desk into the tight quarters at Town Hall for the Recreation Director. The Commission is working to establish set office hours so that residents will have easier access to registering for, and inquiring about, recreation activities and programs. Our new telephone number at Town Hall is 887-1872.

This past year the Commission accepted, with profound regret, the resignation of long-time member Ron Dulong. Mr. Dulong has been a hard-working, hands-on volunteer behind the scenes, always ready with his tool box to fix a problem or figure out a solution. We thank him for his dedication and time and encourage him to rejoin the board if his schedule allows for it.

The Selectmen also accepted the resignation of Mrs. Krista Warren, who was our Recreation Director. We thank her for her years of service and wish her well in the future.

The Commission is working to establish more facilities to meet the rapidly growing needs of our community. We attempt to do this as cost effectively as possible. More playing fields and dedicated indoor space to establish programs for all residents is a major goal of the Commission. Your input is always welcome. The Commission meets the third Thursday of the month unless otherwise noted. Please feel free to attend a meeting with your ideas or to contact any Commission member. We hope the upcoming year will see the establishment of more programs and a continued, growing participation in those programs by all residents.

## **SANDOWN CABLE TELEVISION ADVISORY BOARD 2004 ANNUAL REPORT**

In 2004, the Sandown Cable Television Advisory Board (CTVAB) greatly expanded broadcasting on the new Sandown Local Access Television Station, Channel 17.

We broadcast a number of Sandown Town programming, starting with the 2004 Annual Deliberative Session. Selectmen's Meetings have been televised weekly, and the two special Town Meetings were aired in the fall. We also showed Planning Board programs on the proposed land purchase. We have aired 58 feature programs, showcasing local veterans, Cub Scouts, the Fire Department, the Mothers' Club, the Sandown Historical Society, and the Old Home Day. Independent producers have put a number of programs on the air, including weekly broadcasts of worship services at St. Matthew's United Methodist Church in Sandown. And we continuously broadcast the community bulletin board, posting activities of many Sandown organizations.

While our first two years were exciting, Channel 17 is still growing. In 2005, we hope to begin regular broadcasting of other Sandown Town Committee meetings, including the Planning Board. And we hope to attract more independent producers to make feature programming on Channel 17. To accomplish these goals, we need more volunteers.

Channel 17 is your station! Sandown producers have the equipment and opportunity to create and broadcast shows on nearly any topic of their interest. Local access programs throughout the country cover such diverse areas as youth sports, local history, social and civic events, local personalities, recreation, candidates' forums, and religion. Future programs are limited only by your imagination!

Community involvement is essential. We need your help! There are many opportunities available for you to produce shows, and we provide free training to Sandown residents.

Several openings exist on the Cable TV Advisory Board, and we invite residents to apply. In addition to running Channel 17, we serve as liaison between Sandown subscribers and Comcast. If you have a problem with cable service, which is not resolved by Comcast, or if you are interested in producing cable TV shows, please contact us via email at [sandowncable@yahoo.com](mailto:sandowncable@yahoo.com).

## Report of the Sandown Sanitation Department Transfer Station.

The year 2004 went rather smoothly. This past year we received quite a bit of revenue thanks to all the recyclers in the town. You deserve accolades!

The recycling of fiber (cardboard and papers) continues to be a great success. This year we recycled over 120 tons of cardboard and waste paper. The revenue for this alone totaled over \$2400.00. When you figure in the disposal and transport savings we enjoy because these fiber materials are no longer going in with the regular trash, the tax savings is a lot more:

Cost per ton to dispose of regular waste:	\$ 85.00
(multiply by) Tons of fiber recycled:	<u>x 120</u>
Total cost to dispose of fibers if NOT recycling:	\$ 10,200.00
(add) revenue realized this year:	<u>+ 2,400.00</u>
Total tax savings:	\$ 12,600.00

The other source of revenue we enjoy is from the metal pile. This year we received over \$6,000.00 in revenue from the metal disposal.

The way we currently pay to dispose of our trash is based on two charges: disposal (or "tipping") fees and hauling (or "trucking") fees. There are two ways to reduce these fees. One of which is recycling. The fiber, for example generates a revenue (we do not pay to haul or dispose, we actually get money back!). The second way to reduce these fees is to condense the items we dispose of, therefore fitting more in the tank, reducing the number of hauls. For example, if we fit 2 tons of commingled recyclable cans, bottles, and plastic into a recycling tank and they charge us \$125.00 to haul it, we pay \$ 62.50 per ton to haul. If we crush our plastic containers and metal cans, we may fit 4 tons into the same tank, reducing the haul fee to \$ 31.25 per ton to haul. There can be a considerable savings. Another way we save is on Wednesdays. We only take in enough trash on a Wednesday to fill one compactor container. That is why you might have to wait in line as the other compactor is not in use. Since we must start each Saturday with empty compactors, after Wednesday we must empty each compactor, whether it is full or not. By using only one container, we save a \$205.00 haul charge each week, resulting in a yearly savings of \$10,660.00.

The State of New Hampshire grants the town a permit to run a transfer station, provided we follow their rules. The Transfer Station is a self service facility for the exclusive use of Sandown resident's trash disposal, where recycling is voluntary. The key words are "self service". The employees are to observe the resident's use and monitor that the rules and regulations, set by the state, are followed. The resident's responsibility is to use the facility properly by following these rules. If the resident is handicapped, or physically unable to dispose of their waste, the custodian will assist the resident as needed. Please, if you have any questions, do not hesitate to ask.

## Sandown Police Department Town Report 2004

The Sandown Police Department has experienced many changes in 2004. The most obvious being the change in command to a new Police Chief, Joseph Gordon.

The transition of leadership has brought needed change, new responsibilities, ideas, and prospectively both positive and negative. The transition has gone smoothly which can attribute to the professionalism of the officers and the departments new command.

Another major event was the forming of the police union towards the end of 2003. This led to the December 2004 acceptance of the Police Union contract. The main purpose of the formation of the union was to guarantee the officers consistency with regards to their job security, salaries, benefits and procedures. This being new to the department has been challenging; however is something that will benefit the department in years to come.

We have taken advantage of various grants offered by The Department of Homeland Security. We were able to receive 100% funding for the purchase of two O.H.R.V. (Off Highway Recreational Vehicles). These vehicles are to assist us in patrolling areas not accessible by cruiser. We also purchased a trailer for housing and hauling these vehicles. A rescue trailer was also purchased that can be attach to the rear of the O.H.R.V. There have been situations in the past where injured individuals on the power lines and the Rockingham Recreation Trail that needed assistance. This equipment will be available to be utilized by both police and fire to service our community.

Over the years we have upgraded our equipment to better prepare our officers for any number of scenarios. This year Officer Kelley had the opportunity to use a valuable tool available to him to save someone's life. The defibulator and Officer Kelley's training and quick thinking is the reason that a gentlemen by the name of Paul Beauregard is with us today. Governor Benson also presented Officer Kelley with an award for his heroism.

Other officers in the department have been recognized in their outstanding efforts to provide efficiency, availability and the boost of general moral are; Officer Jason Morrow and Officer Wayne Ingersoll.

Corporal John Sable has not only been a valuable asset to the Sandown Police Department he continues to pay service to our country under The Air National Guard.

We have also been able to capitalize on something that has not happened in this department before. Officer Kelley and the DEA (Drug Enforcement Agency) worked in conjunction to seize a substantial amount of drugs and a sum of money that enabled us to purchase more durable weapons for the entire department.

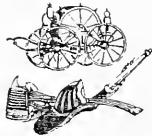

There has been a Municipal Building Committee established in June 2004. The members are Rita Fardella, Robert Tine, Gerard Lachance, Terry Treanor, Dean Sotirakopoulos, Chief Irving Bassett and Chief Joseph Gordon. All members have provided a significant amount of information and time to bring a warrant in front of the voters in March 2005. This hard work generated by all has brought eight architects to the table to explain their experience and later their design and cost proposals for the future Police department. Due to the increased number of Sandown residents and the growing staff of the Police and fire I feel that this is the year to prepare for Sandown's future in the field of emergency service.

The goal I have been in hope to achieve is to develop a Police Department that the town is proud of. I desire an appearance that shows that we, The Sandown Police Department are proud to be a member of the Sandown community. This positive stance is paramount for the future of myself and this department. I am honored to be in the position that I have been delegated for and will continue to serve you to the best of my ability.

Sincerely,  
  
Joseph Gordon  
Chief of Police

# **FIRE DEPARTMENT**

TOWN OF SANDOWN  
PO BOX 1756, SANDOWN, N.H. 03873

## **SANDOWN FIRE & RESCUE 2004 REPORT**

\*\*\*\*\*

The year 2004 was very busy and interesting for the Sandown Fire and Rescue. The number of calls has steadily increased both for structure and chimney fires and the number of motor vehicle accidents has almost doubled over the past few years.

Having the full-time position has worked out really well for myself and the department. The number of people that call or come to the station each day looking for information or inspections is amazing. It is no wonder that I have been taking so many calls at home in the past.

As the town grows, so does the Fire and Rescue department. We have not had any problem getting new members even though other departments do. In 2004, we had several new members join the department.

Thanks to all of the dedicated people who are willing to do the training and respond to the calls both day and night. This makes the Sandown Fire and Rescue a great department to work with.

Also, thanks to all of the residents who have supported the department in the past and we look forward to your support in the future.

*Irving Bassett*  
Irving Bassett  
Fire Chief

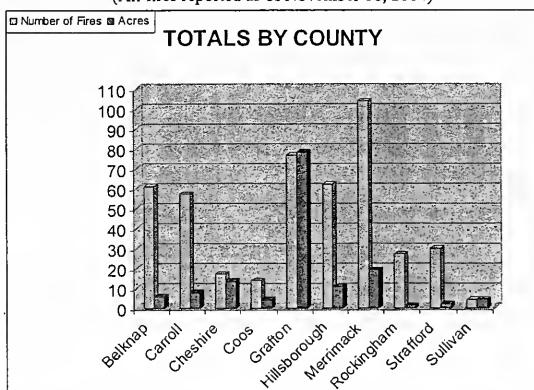

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information contact the Division of Forests & Lands (603) 271-2217, or online at [www.nhdfl.org](http://www.nhdfl.org).

This last year was fairly wet throughout the spring and summer months, however we finished the season with an active fall fire season. In order to meet an increased demand for services, the Forest Protection Bureau was reorganized into three regions with smaller Forest Ranger Districts and over the last several years we have added two Forest Rangers. The fifteen state fire towers were the first to report on many fires throughout the state and they completed many other projects on the low fire danger days. The state implemented a program called Tower Quest to help citizens learn about fire towers and the need to protect New Hampshire's forest resources. The United States celebrated Smokey Bear's 60<sup>th</sup> birthday in 2004, and celebrations were held throughout the state. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire smart and fire safe!

**ONLY YOU CAN PREVENT WILDLAND FIRE**

**SANDOWN HIGHWAY DEPARTMENT**  
**2004 ANNUAL REPORT**

\*\*\*\*\*

The year, 2004, has proven to be a busy and challenging one between the paving on Hampstead Road, reclamation work on Odell Road, complete rebuilding of the Odell Road bridge as well as the other jobs that we work to complete and complaints that we work hard to resolve. These things could not be accomplished without the help of all of the subcontractors and the Highway crew who works many hours to make sure that things get done. I would like to thank Howard Rockwell (Assistant Road Agent) and Don Chase (Laborer) for their help. I would also like to thank the people who work so hard during plowing season (Thanks for making me look good!).

In closing, I would like to thank all of the people who elected me as Road Agent. Even though my position is now an appointed one, I will still work my hardest at taking care of residents' complaints and concerns. In order to do this and continue work on the new and old roads in town, I have proposed an increase in the working staff at the Highway garage in 2005. My job is now requiring more time and effort and additional staff would be beneficial to both my department and to the town.

Respectfully submitted,

Tim Roberts  
Road Agent

## SANDOWN PUBLIC LIBRARY

---

305 Main Street • P.O. Box 580 • Sandown, N.H. 03873 • 887-3428

The Sandown Public Library is pleased to announce another great year. Our circulation has increased by 14% and our patron visits increased by 9%. In March the warrant article passed to increase the library hours from 40 to 50 open hours per week. This allowed us to offer more standardized hours. As of April 1, 2004 our hours of operation are Monday through Thursday 9:00 AM to 8:00 PM, Saturday 9:00 AM to 3:00 PM, closed on Friday and Sunday. With the increase in operating hours we were able to add two more preschool story hours. This brings our preschool story hours to a total of six per week.

The theme for the 2004 Summer Reading Program was "Check Out A Hero". We had 276 children sign up for summer reading and 2,218 books were read during the program. Children's Librarian, JoAnn Pinard Evans, coordinated 50 programs ranging from a "Villains Pirate Night" to a "Duck Tape Workshop" for teens. In June we received a science grant from the Museum of Science-Boston. The grant gave us the opportunity to have a representative from the museum at the library to kick-off our Summer Reading Program. This was an educational evening for all 73 school age children and adults who attended.

Many after school programs and contests were offered throughout the year. One of the more popular programs this year was the Gingerbread House Workshop held during the month of December. We had 176 children, and their families, enjoy hours of fun assembling gingerbread houses for the holidays.

Thanks to the continued support of the Friends of the Sandown Public Library we were able to purchase a new outdoor book return. The Friends also helped with funding for new shelving in the adult fiction, young adult fiction/non-fiction and books on tape areas.

The library now offers museum passes to ten museums in New Hampshire and Massachusetts. Our website [www.sandownlibrary.com](http://www.sandownlibrary.com) has a listing of all the museums, hours, and special events. Many of the passes are funded by donations from the Friends of the Sandown Public Library, Sandown Mother's Club, and the Old Home Day Committee.

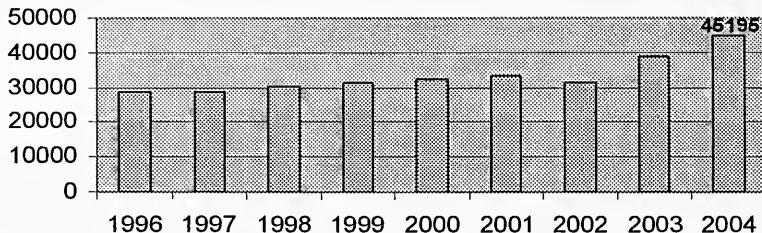

We would like to thank our long time volunteers, Hazel Marlow and Dot Drowne who continued to volunteer their time in support of the library. Thank you to all our other volunteers who help out throughout the year. We truly appreciate your support.

Respectfully submitted,

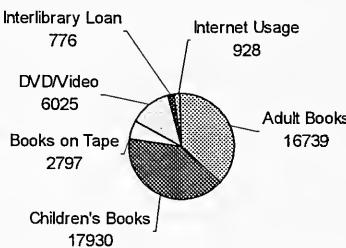

Diane M. Heer  
Library Director

# Sandown Conservation Commission 2005 Annual Report

The Sandown Conservation Commission continued its quest to increase the town's open space inventory and natural resource protection in 2004. In the last three Town of Sandown Master Plans, open space protection has been a priority put forth by residents. The residents that participated in the Community Profile Project, held in September 2003 also prioritized open space protection in its outcome and report. Open Space helps keep property taxes low. The expenses incurred from open land are very little, compared to housing developed land.

The Conservation Commission has utilized several methods for securing open space in town. The Commission works with developers to set-a-side green areas on their projects. The Commission also purchases conservation easements from landowners who want to preserve their land.

In 2004, The Commission has made significant progress concerning open space protection; however, we have a long way to go to achieve desired levels. Several development projects are underway and several more are in the planning review process, land is being gobbled up at a fast pace. To make these purchases the Conservation Commission will need funding. The Commission has submitted a warrant article to deposit an additional 50% of the "Land Use Change Tax" (Current Use Penalty) for a total of 100% into the "Town's Conservation Fund".

The "Current Use" program, RSA 79-A was passed in 1972 by the NH legislature, to protect "Open Space" by not taxing open, agricultural, forest or other large tract of land at rates that would force landowners into selling their land to developers simply to pay the property taxes. If a landowner or developer changes the use of the land designated as "Current Use" for housing developments or anything other than "Open Space", they are subject to a penalty of 10% of the present day value of the land. The NH Legislature intended that all or a percentage of the penalty collected be deposited into a "Conservation Fund" RSA 79-A:25 II for towns to purchase open space to try to preserve the rural character of our New Hampshire communities.

Sandown began depositing 25% of the penalty into a conservation fund in 1997. The voters approved an increase to 50% in 2002 and as of December 31, 2004, the "Town of Sandown Conservation Fund" balance was just over \$300,000.00. While this sounds like a substantial amount of money, a single "build-able" lot in Sandown costs about \$130,000.00.

The Commission has also hired an NH licensed forester in 2004, to develop forestry management plans for our two town forests. The Commission has submitted a warrant article to convert the "Greenwood-Hooke" parcel, approximately 82-acres, off Wells Village Road, into a town forest. If passed, this parcel will be included in the town's "Forestry Management Plan". However, the "Greenwood-Hooke" parcel, the Fremont Road Town Forest, approximately 34-acres and the Seeley Parcel, a town forest, approximately 20-acres do not have permanent protections so the commission has submitted three additional warrant articles to allow the Selectmen convey protection easements on these three parcels. These easements are the only way to permanently protect these natural resources.

The Conservation Commission needs the voters support to continue our efforts for your priorities. Please VOTE YES on Warrant Articles: 24, 25, 26, 27 & 28 on March 8, 2005.  
Thank You.
